**DETAILED ACTION**

***Allowable Subject Matter***

1. Claims 24-46, 71-84, and 86-95 are allowed.
2. The following is an examiner's statement of reasons for allowance:

The Applicant amended claims 24-33, 35-36, 38-40, 42, 46, 71-80, 82-83, 86-89, 91, and 95, canceled claim 85, and presented arguments in favor of allowance of the claims according to the "Response to Office Action Dated: June 9, 2005" received November 9, 2005. Claims 1-23 and 47-70 were previously withdrawn from consideration as being drawn to a nonelected invention. With respect to the independent claims 24 and 71, the Applicant demonstrated to the Examiner's satisfaction that the 35 U.S.C. 102(b) and 35 U.S.C. 103(a) rejections over the references of Lieber et al. (6,743,408 B2), Colbert et al. (2002/0084410 A1), and Merkulov et al. (2002/0117951), are not applicable to the Applicant's invention.

With respect to claims 24 and 71, Lieber et al., Colbert et al., Merkulov et al., as well as any other prior art, fail to disclose an apparatus, comprising a cantilever structure including, in combination with other recited features of the claim limitations: a substrate including a cantilever body; and a substantially vertically aligned, with respect to a plane of the cantilever body, elongated nanostructure coupled to the cantilever body.

Therefore, the independent claims 24 and 71 are allowed. The dependent claims 25-46, and 72-84 and 86-95, are allowed by virtue of their dependence upon claims 24 and 71, respectively.

Art Unit: 2881

The claim objections as spelled out on pages 3-6 of the "June 9<sup>th</sup> Office Action" are withdrawn after consideration of the explanations provided by the Applicant and the cancellation of claim 85.

### *Conclusion*

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Nikita Wells whose telephone number is (571) 272-2484. The examiner can normally be reached on 8:30 AM - 5:00 PM.
